

**1 The Guardian**  
The Guardian is Takaran's time machine and workstation when he goes on adventures. To collect more seeds, Takaran often sails the Guardian to different time periods.

**2 Grandpa Tiegou**  
Grandpa Tiegou is the wisest elder in Guanziling. He has a white beard of wisdom and carries a water pail and rake wherever he goes. After he finishes his work, Grandpa Tiegou loves to rest on the big rock next to the tree behind Dacheng Hall.

Mission No. 1:  
Close your eyes and listen. Write down the sounds of nature that you hear to unlock the power of "listening".

**3 George Candidius the Dutch**  
George Candidius is the first Dutch missionary in Taiwan. He always wears black clothing and a pair of round glasses and carries a Bible wherever he goes. In his free time, he likes to preach and teach the Siraya people how to write.

Mission No. 2:  
Observe the leaves beneath your feet and draw their features. You can unlock the power of "observation" after completing this mission.

**4 Hot Spring Piggy**  
Happy-go-lucky Hot Spring Piggy is a master treasure hunter at Guanziling. After going on adventures, he loves to rest in the black mud pool under the tree. The special hot spring always soothes out the pain and sores on his body.

Mission No. 3:  
Observe the ground surface and draw all the little creatures you see. You can unlock the power of "discovery" after completing the mission.

**5 The Love Story of Guanziling**  
"The Love Story of Guanziling" was written by famous Taiwanese composer Wu Jin-Huai. With a passion for music since he was a boy, Wu never gave up his music dreams, no matter how many challenges he encountered. Wu Jin-Huai likes to write his music at the tree plaza in Lingding Park.

Mission No. 4:  
During your journey, you will encounter various challenges. When you feel tired and want to give up, please write down how you will overcome the challenge. After the mission is complete, you can unlock the power of "perseverance".

**6 Granny Sweet Osmanthus Lane**  
Every sweet osmanthus in Lingding Park is taken care of by Granny Sweet Osmanthus Lane. Granny is so busy that she is often not home, so when guests visit her, they are welcomed by the floral tea dog by the door. The floral tea dog has a teapot body and table legs.

Mission No. 5:  
Close your eyes and smell the air. What natural smells can you sense? Write them down and unlock the power of "scent".

**7 Huo Wangye Ritual**  
Huo Wangye ("Lord of Fire") is the guardian deity of Guanziling Hot Spring. He was originally the deity Fudō Myōō, which was brought over and worshiped by the Japanese when they came here to develop the hot spring area. Every summer, everyone gathers in front of Dacheng Hall and prays for good fortune by carrying a sedan and having a procession.

Mission No. 6:  
Ask yourself, what kind of guardian seed do you want? As you write it down, you unlock the power of "praying".

**8 SanBai**  
The Bawcock Slope at Guanziling is commonly known as sanbai ("three hundred steps"). SanBai is an injured Japanese soldier who comes here to climb the steps as rehabilitation.

Mission No. 7:  
Looking for the guardian seed is a difficult journey, let's finish the mission together! As you rub out your artwork, please tell yourself you will patiently complete the mission, and then you can unlock the power of "patience".

**9 Lady Sakuma, Wife of the Governor**  
Lady Sakuma enjoys taking walks on the old street of Guanziling Hot Spring and loves to take hot spring baths at Guanziling Hotel, the oldest hotel on the street.

**10 Siraya Girl Sayun**  
Little Sayun is rather shy. She is very good at weaving and loves to eat ponkan mandarins. She likes to sit on Xianyun Bridge and sing, and read history stories.

**11 The Ground Skink Brothers**  
The ground skink brothers are a pair of short and cute creatures who love to lay on top of the archway of Hongye Park and welcome visitors.

Mission No. 8:  
The ground skink brothers gave Takaran a string of sharing seeds and asked him to plant them in suitable places during his adventures. When you plant your seed, you unlock the power of "sharing".

**12 The Butterfly Fairy**  
The Butterfly Fairy is the first butterfly to emerge in Guanziling. She is the guardian of all butterflies here and loves to wait for visitors in Hongye Park.

Mission No. 9:  
The seeds cannot be planted in random places. The Butterfly Fairy asked Takaran to think about why butterflies liked to live here. When you write down the reasons, you unlock the power of "thinking".

**13 Alid's Secretary**  
Alid is an important belief in Siraya culture. The Secretary has to wipe the jars under the tree every day. The jars are filled with important "message water". The people believe the water can transmit their inner prayers to Alid.

Mission No. 10:  
If you pray sincerely to Alid and write down your prayer, you unlock the power of "belief".

**14 Tree Frog King**  
The tree frog kingdom has many members. Stejneger's Narrow-mouthed Toad and Sauter's Frog are the two most important species. These two are also the first specimens collected here. The Tree Frog King is very shy. He likes to hide in the grass behind the Maple Spirit and sing loudly.

Mission No. 11:  
The Tree Frog King says that a boy once planted a sharing seed here. Under his care, the frogs can now live here and hold concerts. How would you protect this forest? Write them down to unlock the power of "protect".

**Guanziling Adventure Map**

**The Journey of the Guardian**

Siraya boy Takaran is a warrior who safeguards the forests of Guanziling. He loves to visit different time periods on his ship, the Guardian, and collect stories and treasures of this land. Legend has it that there is a guardian seed in Guanziling that gives the owner the power to safeguard forests. However, one must first gain twelve powers: listening, observation, discovery, perseverance, scent, praying, patience, sharing, thinking, belief, goodwill, and protection to get the special seed.

**Siraya Boy Takaran**

Young Sirayan Takaran enjoys running, singing, adventuring, and eating mango ice. In his free time, he plays his jew's harp and tells jokes to Sayun, a Siraya girl. They often hang out together. Adventurous Takaran likes to run in the forest. He is as fast as a horse and loves to collect various precious and rare seeds.

To help Takaran find the mysterious guardian seeds of Guanziling, we need to go through different challenges to gain different powers. Let's join adventurous Takaran on the Guardian and find the mysterious powers together!
